Taxes & the Library

Every year we have many requests regarding taxes. Here are a few of the FAQs we receive.

Do we have forms?

Where can I get forms?

We will have some tax forms. However, we never know for certain when or how many forms we will get each year. If we don't have your forms we can get many of the forms online.

Can I do my taxes online at the Library?

You can do your taxes online at the Library. You'll need to let us know when you sign up for a computer that you will be doing taxes. It takes more time than you think to do taxes online. Also, We won't sign up anyone for computer after 4:00 pm weekdays or 12:00 pm on Saturday for taxes.

Is AARP going to be doing taxes again?

AARP will be doing taxes again this year. However we don't have their schedule at this time. Please call us late January or early February to see if we have the schedule.
